

Dear Parents,

Below you will find a list of supplies that your child will need for kindergarten. Please send the items below in a grocery bag labeled with your child's name, and not in your child's backpack.

You do not need to label anything. Children will keep all supplies in their own personal supply basket and items will not be shared.

In addition to the supplies, please provide a backpack large enough to comfortably hold a 9x12 folder without bending it. Your child will also need a reusable water bottle labeled with your child's name (water fountains will NOT be used this year).

New Items (added Fall 2020- will need to be purchased even if you ordered a school supply kit):
